PROFESSIONAL PROFILE

I'm a 19-year-old solo software developer from Thessaloniki, Greece. I'm passionate about coding and love diving into new projects. Whether it's crafting sleek interfaces or solving complex problems, I'm always up for a challenge. Join me on my journey as I continue to learn and grow in the world of technology!

WORK EXPERIENCE

Software Development Project

2023-08 - 2023-09

- Led a team of three students in developing a web-based application for a school project utilizing HTML, CSS, JavaScript, and PHP.
- Implemented responsive design principles to ensure optimal user experience across desktop and mobile devices.
- Collaborated with stakeholders to gather requirements, define project scope, and deliver a high-quality product within a tight deadline.

IT Technician Intern

2024-9 - 2025-3

- Provided technical support to end-users, troubleshooting hardware and software issues to ensure uninterrupted workflow.
- Assisted in network setup, configuration, and maintenance, including installing and configuring routers, switches, and access points.
- Documented technical procedures and created user guides to streamline support processes and improve knowledge sharing within the team.

EDUCATION

IEK AKMI (2023-10 - 2024-12)

(Multimedia/Web Designer - Developer/Video Games)

High School (2020-9 - 2023-06)

4o Geniko Lukeio Stavroupolis (Thessaloniki)
