PROFESSIONAL PROFILE

I'm a 19-year-old solo software developer from Thessaloniki, Greece. I'm passionate about coding and love diving into new projects. Whether it's crafting sleek interfaces or solving complex problems, I'm always up for a challenge. Join me on my journey as I continue to learn and grow in the world of technology!

WORK EXPERIENCE

Sofware Development Project
2023-08 - 2023-09

- Led a team of three students in developing a web-based application for a school project utilizing HTML, CSS, JavaScript, and PHP.
- Implemented responsive design principles to ensure optimal user experience across desktop and mobile devices.
- Collaborated with stakeholders to gather requirements, define project scope, and deliver a high-quality product within a tight deadline.
